

## BEST CUSTOM HOME OVER 12,000 SF BEST OUTDOOR ENVIRONMENT

### COUNTRY CLUB HOMES

COUNTRY CLUB HOMES built this incredible 15,000 sf shingle style home designed by Michael Smith Architects and located on a hilltop in Wilton. Partners Carolyn Wheeler and Walter Cromwell were recognized with no less than five HOBBI Awards for features such as the free form pool with custom Disney like slide, waterfall, hot tub and koi pond. The pool house walls are shiplap planking and it is designed with a cantilevered children's loft.

Outstanding ceiling features include a hand painted domed ceiling in the rotunda, and this beadboard tent ceiling in the master bedroom.

An exquisite study features an adjoining office with coffered ceiling.

## SPECIAL FOCUS AWARDS

### COUNTRY CLUB HOMES

The lower level of the home includes a home theater with tiered seating and a ceiling that twinkles in the dark; a wine tasting room and wine cellar. Pictured is one of the incredible lower level sports memorabilia rooms with displays that include boxing gloves and sneakers of sports legends. COUNTRY CLUB HOMES won three SPECIAL FOCUS awards for other unique rooms in this exceptional home, including a 50's diner, which is part of a suite for teenagers, a massage room and striking adjacent steam shower with crystal light niche, and a 30 ft. high full court basketball court. The court was built underground and cost \$1.5 million.
